

VII/24. Analysis of issues related to Annex VII

The Conference of the Parties,

Recalling its decision VI/34, in which it, among other things, entrusted the Open-ended Working Group with overseeing the development of work and requested it to present its final report on the analysis of issues related to Annex VII to the Conference of the Parties for a final decision at its seventh meeting,

Reaffirming its decision to leave Annex VII unchanged until the amendment contained in its decision III/1 enters into force,

1. *Takes note* of the final report of the Open-ended Working Group on the analysis of issues related to Annex VII, as contained in document UNEP/CHW.7/12;

2. *Invites* States that have not become party to the Basel Convention to consider doing so.
