(d) Item 7 of Schedule 3 to the Fish Resources Management Act 1994 (WA) (“the State Act”) provides that an arrangement made under section 8H of the Repealed State Act and in force immediately before the commencement of the State Act continues in force, on commencement of the State Act, as if the arrangement had been made under section 22 of the State Act.

(e) Subsection 75(1) of the Commonwealth Act provides that an arrangement made under, inter alia, section 71 of the Commonwealth Act may be terminated by instrument approved by the
Commonwealth Minister responsible for administering the Commonwealth Act and the State Minister responsible for administering the State Act.
